

# 2018 MALICA Annual Scientific Meeting

## *Towards Sustainable Food Systems in Southeast Asia: Insights from the Malica research platform*

Hanoi, Vietnam – 5 June 2018

Centre for Women and Development  
20 Thuy Khué, Tay Ho, Hanoi

## Program

The Malica research platform organizes its “Annual Scientific Meeting” on 5 June 2018, to share the insights of its 2017-2018 activities and discuss them in the perspective of the overall goal of MALICA scientific project, which is to contribute to the **sustainability of food systems**, with its 3 priority research areas:

- a) Agricultural system transformations in relation to urban food system and market changes;
- b) Market restructuring and quality standard development in relation to changes in urban consumption patterns and trade integration;
- c) Impact assessment and prospective approaches in support to innovations in public policies and collective actions towards sustainable food systems.

The Program of this scientific meeting is the following:

### **8h00 – 8h15: Registration**

---

#### **8h15 : Introduction**

Opening by the President of Malica: Dao The Anh (Vaas)

Latest news on Malica: Chitpasong Kousonsavath (NUoL) and Delphine Marie-Vivien (Cirad)

---

### **8h30 – 10h00 Session 1: Interventions for collective action and value chain management**

Chairman: Hoang Vu Quang (Ipsard) /Discussant: Le Duc Tinh (Mard, to be confirmed)

Each presentation 15' + 5' questions, General discussion (30')

- *Placing value chain stakeholders at the core of GIs in Vietnam, ex of Orange Cao Phong*: Dang Duc Chien (Rudec) & Bui Kim Dong (Casrad) & Delphine Marie-Vivien (Cirad)

- *Value chain development in Vietnam: look at approaches used*, Brice Even, (Ciat)

- *Cooperatives in Vietnam: opportunities of the new law, legal and market approaches*, Dao Mai Quyen (Cirad), Nguyen Chi Tan Loc (Favri)

### **10h00 – 10h30 : Coffee/tea**

---

### **10h30 – 12h00 Session 2 : Consumer perception of food safety and market dynamics**

Chairman: Hung Nguyen (Ilri) /Discussant: Ricardo Hernandez (Ciat, to be confirmed)

Each presentation 20' + 5' questions, General Discussion (30')

- *Consumer preferences study for safe/organic, food products in Myanmar, Laos and Vietnam* : Isabelle Vagneron (Cirad), Estelle Biénabe (Cirad), Chitpasong Kousonsavath (NUoL), Pham Thi Hanh Tho (Casrad)
